Frisco High School Marching Band

2026 PLAY-A-THON

Saturday, September 12th

The Frisco Band will be out in the community...

The 2026 Play-A-Thon concert is coming and you are invited to be a part of the fun!

What: The Band will perform a community marching band concert at 11:00 am- *This year we are returning for another grand community concert at Kaleidoscope Park in Frisco!*

Why: Each year the Frisco Band is allowed one student-run fundraiser, and for us that is our annual Play-A-Thon! We depend a great deal on this event to raise \$40,000+ annually. The Play-A-Thon also boosts community spirit and brings attention to our award-winning band program! It gives the members an opportunity to take ownership in helping to raise funds needed for many of the expenses incurred over the course of the year, including contest entry fees, clinicians, need-based scholarships, and the spring trip.

The Fundraising: We partner with a company called **SchoolFundr**, which manages an online system for reaching out to donors who can then in-turn donate via credit card, PayPal, etc. It uses the power of email, text, and social media with a safe, fun and interactive approach. **Donor contacts are strictly private and protected, and their information is never sold or shared.** SchoolFundr information is on the back of this page.

Our Community Concert will also feature the ability for families and supporters to **purchase specially-requested songs**, with a special donation of \$50. Each song purchase comes with a 'shoutout' of thanks during the concert! Available songs will be sold first-come, first serve.

Songs purchase deadline is September 10th. Visit bit.ly/PlayathonSong to purchase!

Student Responsibility: With their parents/guardians' help, all members should gather and input **at least 20 email addresses and 10 cell phone numbers**, of their 'biggest fans'- people who would potentially make a donation. Please see the SchoolFundr worksheet on the next page, which serves as a guide for the students to gather their list of emails and numbers for texting, with their parents' help.

Our target for each student has traditionally been to obtain pledges totaling at least \$250. While this is still our goal, **we want to stress the gathering and contribution of at least 20 valid email contacts and 10 phone numbers satisfies our expectation for each family, above hitting on a certain dollar amount.**

Corporate Sponsors: If you or anyone you know works for, or has contacts at any business, please consider asking for a tax-deductible, corporate sponsorship donation. If a company donates at least \$250, we will put their logo on the Play-A-Thon t-shirt, the parade banner, and their logo will be placed on our website with a link to their website. Donations of \$500 will receive larger logos on shirts and banners, and there are more opportunities still for \$1000 and up! Corporate sponsors will need to be secured by Sunday, September 6th, in order to guarantee their logo on the official Play-A-Thon t-shirt. The next page contains information to give to potential Corporate Sponsors.

How Else Can Parents Help? We know that our amazing parents will want to be a part of the "Play"-A-Thon! In addition to helping students gather email address and seeking corporate sponsorships, there are volunteer opportunities on the day of the Play-A-Thon for:

Pit Crew, Chaperones, Donation Bucket Carriers

Please consider adding one of your volunteer stickers at registration on the sheet for one of these areas!

**Frisco Band- Marching Production
Performance Roles 2026**

Student Name: _____

Marching Season Performance Attendance Contract

On Monday, August 3, we will be assigning *initial* roles for our 2026 marching production, 'The Sound of Color'. All students will begin the season learning a spot in our drill, and performing in these spots at early-season football games. Towards the end of September, students will receive a designation of "Primary Spot" or "Alternate Spot" ("A-TEAM"). A variety of factors contribute to this decision (as outlined in the Band Handbook):

1. *Basic skills and physical conditioning that allow the student to march and play simultaneously, in tempo and without the threat of injury to him/herself or others*
2. *Student's demonstrated response and engagement during instruction*
3. *Academic Eligibility history*
4. *Attendance during previous school year and pre-season training rehearsals*
5. *Continued attendance at rehearsals during the school year*
6. *Completion of summer activities, such as Smart Music Summer pass-offs*
7. ***Commitment to performance dates (see below)***

A-TEAM members *may* be moved into a primary spot later on in this season, if they demonstrate the necessary improvement. They may also *replace* members in Primary Spots if those members decline in the factors listed above. Likewise, members in Primary Spots may be removed (whether an A-Team member takes over or not) if they fail to uphold a baseline in the factors above.

The presence of each student during our performances is vital, as we strive to field a complete ensemble. All performances are required and factor into students' band grades. Therefore we ask that our members indicate their commitment to be present for our marching band performances throughout the season- PARENTS, please initial next to dates to which your students are committed. If there is a potential conflict for any of the below dates, ***do not initial***; leave it blank, ***and please email Mr. Simon by July 27*** (simond@friscoisd.org) with details of the planned absence, so we may open a dialogue. **Note that planned absences ARE a significant factor in the assignment of marching show roles, as described above.**

See the Band Calendar for further details on each event: **www.friscohband.org/calendar**

Frisco Band Parent Volunteer Points

Student Name: _____

Parent Volunteers are the lifeblood of a band program- we cannot facilitate these incredible experiences for our students without this support! Rough calculations reveal it takes in the neighborhood of **3000** 'man-hours' to get our group down the road to perform throughout the Fall- we truly need EVERYONE. To ensure that our students continue to be able to enjoy creating lasting memories through our activity, we are asking that **each family earns at least 8 'volunteer points'** during the marching band season.

Points are available as follows:

Serve as a **Meal Service Helper** for 1 event= **1 Point**

Serve as a **Chaperone, Pit Crew Member, or Photographer**, for 1 event= **2 points**

Serve as a **Concessions Worker** for 1 event= **6 points!**

Traditionally, a small group of parents has accumulated many, many more than 8 (upwards of 30+ points for some), but if everyone pitches in, we can lighten the load for one another!

Volunteering in Concessions- a VITAL (and fun!) part of our fundraising

Volunteering to work concessions at football games is a GREAT way to meet and socialize with other Band parents! The income from concessions also makes up a significant portion of the funds we use to support our wonderful students in their endeavors.

While we certainly need "all hands on deck" to make concessions a viable fundraiser, and to fulfill all of our other volunteer needs, we do understand that some family situations will not allow for parents to be present in these instances. Families may elect to pay a \$100 "Volunteer Requirement Fee" in lieu of earning 8 volunteer points during the marching season. The fee can be paid through Cut Time.

SIGN HERE if your family has already signed up for volunteer opportunities which will total at least 8 points (THANK YOU!) _____

We will earn 8+ points!

Please bill me for the Volunteer Requirement Fee in Cut Time

(Please note that the Volunteer Requirement Fee only covers the volunteer activities associated with marching band events; it does not apply to any other fundraisers throughout the year. We humbly ask all parents to continue our great tradition of amazing support for our students, through participation in our remaining fundraisers as they come up!)

Thank you so much for all the many ways your support our students.
